

Fulham Announces the Management Appointments Of Bremser and Adams

Fulham announced the following executive appointments:

- Dr. Michael Bremser as the new Vice President, Global Product Manager of LED Products, including Fulham ThoroLED™

Dr. Michael Bremser

- Robert Adams as the new National Sales Manager for emergency lighting products, which include FireHorse™ Emergency Lighting Systems and FireHorse™ Emergency Exit Systems. Adams joins Fulham with over 15 years of organizational management experience and more than 10 years of electrical distribution experience including work with City Electric Supply and CED.

Robert Adams

Fulham said Bremser will leverage his expertise in white LED products, spanning LED chip development to end-user lighting applications.

Dr. Michael Bremser will leverage his expertise in white LED products, spanning LED chip development to end-user lighting applications.

ILSCO Appoints ElectroRep

ILSCO announced the appointment of ElectroRep, Inc. as its representative agency for the ILSCO brand of electrical connectors in Northern California. ElectroRep serves the commercial construction market as a primary focus and covers industrials, OEMs and energy markets such as renewable energy as well.

Delivering products and services through the electrical distribution channel is a critical part of ElectroRep's selling equation. The agency's corporate office in Sausalito serves the Northern California market.

ElectroRep is active with NAED, NEMA as well as NEMRA and has been recognized by the industry with numerous awards throughout the years, said ILSCO.

For more information about ElectroRep, contact Kelly Boyd, ElectroRep, Inc., 2015 Bridgeway, Suite 201, Sausalito, CA 94965; Tel.: 415.332.4100; 415.332.4150; email to kellyb@electrorep.com; web site at www.electrorep.com

Colonial Opens Location In Brooklyn, New York

Colonial Electric Supply announced it has expanded into a new territory with the opening of its 20th counter location in Brooklyn, New York. The new location is expected to open its doors within the first quarter of 2011.

Located at 326 Rockaway Ave., Brooklyn, New York, this location is the former site of Liberty Electric Supply. Liberty Electric Supply had previously operated at this location for 75 years before being acquired by a large conglomerate over a decade ago. Steve Mayer, former CFO of Liberty Electric Supply, is joining the Colonial Electric Team as the executive vice president of the New York Region. Curtis Pecherek, long time Colonial employee will become the new branch manager of this site.

Colonial Electric said the new opening extends footprint of branch locations from the Washington, DC market to New York City. Colonial Electric divisions include Bright Light Design Centers, Annapolis Lighting, and Colonial Major Projects (CMP).

Steve Bellwoar, President of Colonial, said, "We have made this move to bring Colonial's unique brand of operational excellence and customer service to the entire Mid Atlantic Region."

Visit the company website at www.coloniaelectric.com for more information.
